Request:

Title: a Development Order Amendment **Request:** to amend the previously approved Master Plan of the overall Economic Development Center MUPD to add square footage and modify phasing on 202.67 acres

Title: a Type 2 Variance **Request:** to allow a reduction in parking for Data Information and Processing Use on 202.67 acres

Application Summary:

The proposed application is for the Central Park Commerce Center Development. The site was last approved by the Board of County Commissioners (BCC) on January 30, 2025, to allow a rezoning on approximately 64.46 acres to the Multiple Use Planned Development (MUPD) and a Development Order Amendment to add land area (64.46 acres) and modify Conditions of Approval. The approved Master Plan indicated 2,020,000 square feet (sq. ft.) of Warehouse, Accessory Office and Uses

Permitted in an EDC MUPD and a Final Site Plan with 206,000 sq. ft. of Data Information and Processing (Data Center) and 1,814,000 sq. ft. of Warehouse.

The proposed requests include a Development Order Amendment to modify the overall Master Plan to add square footage, modify uses, and amend the phasing of development and a Type 2 Variance to reduce the number of parking spaces for the Data and Information Processing (Data Center) use to be 1 space per 2,000 square feet. A Variance was previously approved to reduce parking for the Data Information Processing use on 138-acres of the MUPD. The Applicant is requesting a new parking reduction variance, due to changes in the site design, square footage, and land area for the use on the entire 202.67-acres.
